

ART FOR ALVA

Competition to find new pieces of Sculpture / Carvings / Murals

Alva Community Council

We are looking for inspirational artists to produce new outdoor sculpture pieces or murals for the town. We are looking for ideas that reflect the old and the new, the past, present and future of our town.

Do you have the flair and imagination to not only come up with ideas but also produce them? Alva CC will support the winning entry with funding from a substantial grant received for **Art for Alva**. See your sculpture / mural ideas come to life.

Send details of your idea with an explanation of your vision of the past, present & future of Alva. The entries will be judged by members of Alva CC.

The winner/s will be notified in June 2022

Entries to be submitted by 31 May to: info@alvacommunitycouncil.org.uk
